**DELICATE CHILDREN**

Made Strong and Healthy by  
Vinol

"I wish I could induce every mother who  
hees a delicate, sickly child, to try your deli-  
cate cod liver and iron tonic, Vinol.

"It restored our little daughter to health  
and strength after everything else had failed.  
It tastes so good she loves to take it—not a  
bit of cod liver oil taste.—Mrs. C. W. Stamp,  
Canton, Ohio." (We guarantee this testimon-  
ial to be genuine.)

The reason Vinol is so successful in build-  
ing up puny, delicate, ailing children is be-  
cause it is a combination of the two most  
world-famed tonics,—the medicinal body-  
building elements of cod liver oil, aided by  
the blood-making and strength-creating prop-  
erties of tonic iron. It contains no oil, and  
children love to take it and it cannot  
harm the most delicate child.

If we can induce you to try a bottle of  
Vinol as a body-builder and strength-creator  
for your child, and you do not find it is all we  
claim, we will return your money on demand.

The average annual loss by fire in the United States in the past ten years has been \$200,000,000, and during the past five years it has averaged over \$250,000,000. The values represented by the fire waste would more than pay the stock dividends of all railroads. It exceeds the revenue of the National Postoffice; it is greater than the production of gold or silver.

It will be welcome news to dyspeptics to learn of a remedy that, in the opinion of thousands, is an absolute cure for indigestion and all forms of stomach trouble, and, better still, it is guaranteed to do so. The remedy is Dr. Caldwell's Syrup Peppermint.

We all know the value of pure pep mint in indigestion, and add to this some exceptional laxative ingredients and you have a truly wonderful remedy. Mr. T. W. Worthby of Portsmouth, Ga., got to the point where he could not even eat or digest vegetables and after many years of seeking he found the cure in Dr. Caldwell's Syrup Peppermint. Mr. Rudy Kasper of Moline, Ill., was in the same bad predicament with his stomach, took Syrup Peppermint and is now cured. Hundreds of others would gladly testify. It is a guaranteed cure for indigestion. J. Jas. Wood & Son, Dongola, Maysville.

As she is termed, will endure bravely and patiently agonies which a strong man would give way under. The fact is women are more patient than they ought to be under such trials.

Every woman ought to know that she may obtain the most experienced medical advice free of charge and in absolute confidence and privacy by writing to the World's Dispensary Medical Association, R. V. Pierce, M. D., President, Buffalo, N. Y. Dr. Pierce has been chief consulting physician of the Invalids' Hotel and Surgical Institute, of Buffalo, N. Y., for many years and has had a wider practical experience in the treatment of women's diseases than any other physician in this country. His medicines are world-famous for their astonishing efficacy.

The most perfect remedy ever devised for weak and delicate women is Dr. Pierce's Favorite Prescription.

## YULETIDE INSPIRATION

Our big-hearted Mayor, J. W. Lee, has in mind the joys that come to those who are thoughtful of the injunction, "That he that giveth to the poor lendeth to the Lord," and in accordance with this yuletide inspiration has decided to give as a Christmas present a \$6 overcoat to the poorest and worthiest boy from 5 to 8 years old in the city. He has not yet decided how the award will be made, probably by a Committee of ladies, but that is a matter that can be arranged later. The overcoat is first-class and of heat quality and may be seen in the show-window of his business place, corner of Second and Market. Who will be the next to suggest and fulfill some idea that will bring joy and happiness to some poor family Christmas morning?

## WILL POOL 1911 CROP

Big Burley Meeting at Lexington Decides to Again Unite For Common Protection

Yesterday at Lexington the Burley Tobacco growers took the first definite steps toward forming an organization since the failure of the Burley Tobacco Society's 1910 pool.

The Committee reported as follows:

First—That we recommend the pooling of the 1911 crop, and in the same contract out the 1912 crop; that all counties in the Burley District are requested to send delegates to Lexington on the fifth day of January, 1911, to devise ways and means to bring about this end. For the purpose of strengthening the 1911 pool we also recommend to the addition to the 1911 pool any other unsold tobacco on hand.

Second—We favor county organization and home rule.

Third—We favor a reasonable per cent. contract.

Forth—We favor a separate organization and recommend co-operation with similar tobacco organizations.

Fifth—We recommend that June W. Gayle, Judge B. F. Hill and Hon. H. M. Froman be appointed a committee to take up the question of organization and confer with other similar organizations and report at the meeting on January 5th, 1911.

Geo. A. Brooks of Mason county, formerly Secretary of the Burley Tobacco Society, was elected Secretary of the meeting.

## WOMEN'S WOES.

Maysville Women Are Finding Relief at Last.

It does seem that women have more than a fair share of the aches and pains that afflict humanity; they must "keep up," must attend to duties in spite of constantly aching backs, or headaches, dizzy spells, bearing-down pains; they must stoop over, when to stoop means torture. They must walk and stand and work with racking pains and many aches from kidney illness. Kidneys cause more suffering than any other organ of the body. Keep the kidneys well and health is easily maintained. Read of a remedy for kidneys only that helps and cures the kidneys and is endorsed by people in this locality.

Mrs. Etta Carson, Front street, Vanceburg, Ky., says:

"My kidneys were disordered for several years and I suffered from attacks of lameness. My back ached intensely and the kidney secretions were profuse at times, while at others, scanty and distressing in passage. If I attempted to stoop, sharp twinges darted through my kidneys and often I became very weak. I finally began taking Doan's Kidney Pills and they proved of benefit in every way. I am now stronger and more active than ever before. I have recommended Doan's Kidney Pills with satisfactory results."

For sale by all dealers. Price 50 cents. Foster-Mills Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—take one.

## FULLY DESCRIBED

A Lady of Pizarro Tells Story of Awful Suffering That Cardui Finally Relieved.

Pizarro, Va.—"I suffered for several years," writes Mrs. Dorina A. Smith, "with that awful backache and the bearing down sensations, so fully described in your book."

"I tried doctors and other medicines and found little relief, until I was induced to try Wine of Cardui, when I found instant relief and today I can heartily recommend Cardui to all suffering women and think there is no other as good."

In some instances, Cardui gives instant relief; in others, it may take a little time. But in all cases of female trouble Cardui can be depended on to be of benefit, as it is a specific remedy for women and acts in a curative way on the womanly organs.

As a general tonic for women, to build up your strength, improve your appetite, bring back rosy cheeks and make you look and feel young and happy, nothing you can find will do so much for you as Cardui.

Your druggist has it.

## RIVER NEWS

The gage marks 98 and failing.

Lock and Dam No. 24 in the Ohio river will be located at Racine, Ohio.

The ice gorges in some parts of the Upper Ohio are reported to be from six to ten feet high and reach to the bottom of the river.

Rain fell in the Allegheny Mountains a day or so since, and with warm weather it would mean the resumption of navigation at the headwaters of the Ohio river.

Mrs. William Morrison, Jr., of Wrightsville was recently granted a Captain's license, after passing a creditable examination. Mrs. Morrison, with one exception, is the only woman to be thus honored.

### TO PROTECT THE GIRL WAS HIS OBJECT

William Nanz of this city was arrested in Cincinnati Sunday morning for taking sixteen-year-old Laura Krause to the Hoerner Hotel and registering as man and wife. Nanz says his object was to protect the girl from mistreatment received at home; that he intended to send her to the home of his aunt in this city, where she would be cared for until old enough to be married to Nanz. Both declared there had been no indiscretion beyond registering as man and wife. Nanz told the Juvenile Officer that he knew Mayor Lee of this city and suggested that he call him up. The Mayor being interrogated over the phone replied that he knew Nanz and from his knowledge he appeared to be a very decent fellow. He was asked if he thought Nanz would appear for trial if let out on bond, and replied that he thought so, providing the charge against him was not serious. The facts were communicated to Chief Probation Officer Emerson, and he ordered Nanz released on his own recognizance, pending the hearing Saturday. The Times-Star of last night contained a full account of the affair, from which it is gathered that the Cincinnati officer thinks there is very little in the case.

Is a question that is often asked at this season. We know the difficulty presented by this problem and have made special preparations to help you solve it satisfactorily.
